STAUNCH Electric Push Lawnmower STLM-420

Discription

1. Control handle switch
2. safety lock-out button
3. Cable hook
4. Upper handlebar clamp
5. Collection box
6. Lower handlebar clamp
7. Lever of Central cutting height adjustment

Technical Data

| | |
|-------------------------------|--|
| Model No. | STLM 420 |
| Cutting Width | 420 mm |
| Voltage | 230V~ 50Hz |
| Power | 1600W |
| Motor Speed | 3500 /min |
| Cutting hight adjustment | centralized |
| Cutting height | Six positions (20 to 70mm) |
| Capacity of grass collector | 45L |
| Guaranteed sound power (LwA) | 96 dB(A) |
| Sound pressure level (LpA) | 85 dB(A) |
| Class of protection | Double protection / classe II/IP×4 |
| Net weight | 16,2 Kg |
| Vibration level | 1,664 m/s ² k=1,5m/s ² |
